

2 nd SUSTAINABLE WATERSHED MANAGEMENT CONFERENCE

22 - 25 April, 2013 Hilton Dalaman, Sarigerme, TURKEY

CALL for REGISTRATION

We would like to invite you to participate at the " Second International Sustainable Watershed Management Conference (SuWaMa 2013)" that will be held in Hilton Dalaman Hotel, Sarigerme, Turkey, 22-25 APRIL 2013. The Conference site is situated on Turkey's southwestern coastline of the Mediterranean Sea. It will be followed by a 3 days of optional excursions to Ephesus or Blue Mediterranean tour. There will be training courses (workshops) on various decision support tools before the Conference. Please visit the conference website <http://www.igportal.org/?Dil=1&SID=689>

Key issues covered by the conference are:

Good watershed management practices:Examples from various countries including climate change challenges and trans-boundary problems

Decision support tools:Monitoring, GIS, data / information management, indicators, ecological economics, cost/benefit analysis, decision making models, legislation and policies, participatory methods / water user partnerships

Models:Integrated watershed model applications for watershed management

SuWaMa Science Committee invites you to submit an extended abstract of less than 3 pages or

1000 words, summarizing the proposed presentation and email:suwama2013.conference@igemportal.orgby 30 th July 2012. Submissions will be judged on relevance to conference themes, clarity of thought, data/documentated results, creativity, fit in conference program and other criteria. Deadline for notification of acceptance is 30 th August 2012. Contributions from a broad spectrum of sustainable watershed management issues are welcome.
